EDUCATION

B.Sc.

Computer Science & Engineering

United International University

2015 - 2019

RELEVANT COURSES

Computer Fundamentals, Web Development, Typography, Web Design, eColor Theory, Database Management Systems, Object-Oriented Programming, Web Architecture, Mobile Application Development.

SKILLS

HTML

CSS

JavaScript

Git

Figma

MS Office

CAREER OBJECTIVE

CSE graduate focusing on front-end development with the ability to collaborate effectively with senior developers while spending extra time to be mentored. I am eager to work closely with an interactive team where I will continue expanding my knowledge into perfecting accessibility and responsive design. Enjoy working closely with team members to ensure workloads are effectively redirected to bottlenecks and personally picking up the slack when necessary.

PROJECTS

Portfolio Website

- Built a full responsive web app using HTML, CSS, & JavaScript
- Demo - <https://tamannatrine.github.io/portfolio-website-Tamanna.github.io>
